

Nordic Artisan Food Market

2 – 3 September

**NORDIC
ARTISAN
FOOD
AWARDS**

1–3 September 2022
STOCKHOLM

STORA SKUGGAN
N:a Djurgården

Welcome to the food event of the year in September!

During the days, in addition to the market, a competition in Nordic food crafts, workshops, tasting workshops and exciting conversations and debates about the food system of the future will be arranged. We now open the opportunity to register your participation in the Nordic artisan food market. **The number of places is limited**, and the organizer reserves the right to distribute places in order to achieve an even distribution between the Nordic regions and the various industries.

PLACE

Stora Skuggans Väg 12, 115 42, Stockholm

Preliminary market opening hours:

- Preparation time Friday morning
- Friday 2 September at 12-20
- Saturday 3 September at 10-16

PREREQUISITES

- Each place is 2 meters, and several companies can share in one place.
- Cost: SEK 1500 + VAT per place, furnishings and storage included (place in refrigerated container).
- Any equipment in the stand such as a refrigerator can be rented at cost price.
- Night guards are on site between Friday and Saturday.
- Each company provides its own payment solution. For Nordic participants, we are working on a common solution.

OPPORTUNITIES FOR ACTIVITIES

Areas outside the market tents are available with the possibility of activities, such as renting your own tent, arranging activities, etc. This is agreed with the project managers. We encourage market participants to sell a tasting plate with a range of products or similar.

PARKING

Special parking facilities will be available in close proximity, but not directly adjacent to the marketplace. Cars directly on the exhibition area are not permitted. There will be spots for motor home parking available in the AREA.

ABOUT THE EVENT

Terra Madre Nordic is a Nordic meeting place for both consumers, producers and stakeholders with a common interest in sustainable food production and consumption as well as food culture. During the days the Nordic Artisan Food Awards are being held for the first time ever.

ORGANIZERS

Terra Madre Nordic is arranged in collaboration between **Slow Food in the Nordic Countries** and **Eldrimner** - Sweden's resource center for artisan food.
